Hiring Manager
Software Engineer
EY
NH-49, Maradu
Kochi - 682304

Dear Hiring Manager:

I am excited to apply for the **Software Engineer position at EY Kochi**. With experience in full-stack development, AI-powered solutions and real-world project execution, I am eager to contribute my skills to your innovative team.

As a **React JS Intern at Brainybeam Info-Tech Pvt. Ltd**, I gained hands-on experience building scalable web applications. I have also developed my personal projects such as an **AI-powered Image Generator, Social Media Web App (LinkUp), Streaming OTT Platform,** applying React.js, Node.js, Express.js, MongoDB, Firebase, REST APIs and Socket.IO.

I am inspired by EY's mission to build a better working world and look forward to the opportunity to contribute to your digital transformation journey.

Thank you for your time and consideration.

Sincerely,

Rakesh Kumar
